The 186th Durham Regatta

SENIOR EVENT BANDINGS

Under the British Rowing Competition Framework Senior events are banded, where applicable, using the Crew Ranking Index (CRI) values for each crew. The baseline points total for each crew is fixed at the time entries closed according to the aggregate points held by that crew eight days prior to close of entries.

Bandings were determined using the baseline points values along with: the number of crews entered; the aims of individual events; and requests from clubs who wished to "race up" in higher bands. The range of CRI values in each competition is shown below alongside the maximum number of CRI points allowed within a crew if competitor substitutions are made. There is no points limit for substitutions in the top band of a boat class.
